HOME DEPARTMENT

Memorandum No. 164356-Trans Part I/55-1 dated the 3rd September 1955.

Sub: MOTOR VEHICLES - Stage Carriages - Practice of certain Regional Transport Officers communicating extracts of resolutions of Regional Transport Authorities when no final orders have been passed - Deprecated.

In the case disposed of in G.O. R.No. 2874, Home, dated 10-8-55, the Secretary, Regional Transport Authority, North Arcot communicated the proceedings of the meeting of the Regional Transport Authority, North Arcot, held on 21-5-55 recommending the variation of the route Arni to Villupuram via Chetpet, Valathi and Gingee as Vellore to Villupuram via Arni, Chetpet, Valathi and Gingee in respect of one bus each of the ten operators plying on the route. Against the proceedings communicated the operator came up to the Government in revision.

2. The proceedings of the Regional Transport Authority referred to above were in pursuance of the instructions in G.O. Ms. No. 2335, Home, dated 12-6-51 issued under Section 45-A of the Motor Vehicles Act, 1939. ~~xxxxxxxxx~~ The resolution of the Regional Transport Authority was only a recommendation to the Chairman, Central Road Traffic Board with reference to the G.O. mentioned above and the proceedings were only at the preliminary stage. The procedure under section 57(3) has still to be gone through before there can be a final order. Government observe that in a number of similar cases, the Secretaries of Regional Transport Authorities are communicating to the parties extracts of resolutions of Regional Transport Authorities in cases where no final orders have been passed and where the resolutions are only in the nature of a recommendation to the Chairman, Central Road Traffic Board for approval. This practice misleads the parties, who file revision petitions to Government on such preliminary communications which have perforce to be rejected as premature. Thus the time of Government is wasted and the parties are put to unnecessary expense and worry. The Secretary, Central Road Traffic Board is therefore requested to instruct the Regional Transport Officers not to communicate extracts of such resolutions at a preliminary stage to the parties but to communicate only the final orders when they are ripe for communication

J. SUBRAMANI,
Deputy Secretary to Government.
